Formal Request for Baptism

Please read carefully.

This letter summarizes the responsibilities taken on by parents through the sacrament of Baptism.

Dear Father,

I am requesting to have my child Baptized into the Catholic Church.

I make this request realizing that there are duties and responsibilities that will be expected of me.

Since my child is too young to speak on his/ her own, I am the one, along with my spouse, who must see that the Life of Faith that comes with Baptism is kept alive, nourished and given every opportunity to grow. I realize that much depends on my own living of the faith and my own commitment to the faith.

I have read carefully the material and, after serious consideration, I promise to do my utmost to support and teach my child to live up to his/her Baptismal calling in the Catholic faith.

I will do all that I can to aid my child in carrying out this Faith.
